

RADiiX INFINITEii – Recruitment Strategy & Candidate Submission Workflow

Task 1: Understand the Requirement

- Review the Job Description (JD).
- Understand mandatory skills, experience, location, and work authorization requirements.
- Clarify budget/rate and notice period expectations.

Outcome:

Requirement clearly understood before sourcing begins.

Task 2: Source Candidates

- Search candidates through LinkedIn, Dice, Indeed, Internal Database, and Referrals.
- Apply Boolean searches and sourcing filters.
- Shortlist relevant profiles.

Outcome:

Qualified candidate pipeline created.

Task 3: Initial Candidate Screening

- Connect with the candidate.
- Explain the opportunity.
- Verify:
 - Total experience
 - Relevant experience
 - Current location
 - Notice period
 - Salary/Rate expectations
 - Work authorization status

Outcome:

Candidate suitability confirmed.

Task 4: Collect Mandatory Documents

Obtain the following documents before submission:

- ✓ Updated Resume
- ✓ Government Photo ID (Passport, Driver's License, PR Card, etc.)
- ✓ Work Authorization Copy (H1B, Green Card, EAD, Work Permit, PR Card, Citizenship, etc.)
- ✓ LinkedIn Profile Link

Outcome:

Candidate identity and eligibility verified.

Task 5: Obtain RTR (Right to Represent)

- Share RTR format with candidate.
- Obtain signed RTR.
- Confirm candidate consent for representation.

Outcome:

Formal authorization received from candidate.

Task 6: Submit Candidate to Client

- Prepare candidate summary.
- Attach Resume, RTR, and required details.
- Submit profile to client/hiring manager.

Outcome:

Candidate officially represented for the role.

Mandatory Documents Before Submission

1. Updated Resume
2. Government Photo ID
3. Work Authorization Copy
4. LinkedIn Profile

Recruitment Flow

Requirement Analysis → Candidate Sourcing → Initial Screening → Document Collection → RTR Collection → Client Submission

End of Recruitment Team Scope

Once the profile is submitted to the client, the recruitment workflow is considered complete. Further stages such as interview coordination, offer management, onboarding, and joining are managed as part of the selection and deployment process.
